

# GERLING

*bad blood!!!*  
CD available July 13th, 2004

Mixing beats and rock has proved challenging for many bands, but Sydney, Australia has produced a rare success in **Gerling**. Gerling have broken free from Electroclash and created an album fusing punk, alternative sounds and amazing beats in a way that Brooklyn hasn't heard yet. Gerling are a band that sound like 2004. After huge success in their native country they are poised to conquer the US and the UK. They will be playing extensively in the Northeast this spring as well as at **SXSW**, and their North American debut will be released July 13th, 2004 on **Fenway Recordings**.
